In language your students will understand and enjoy reading, Timothy Trull's CLINICAL PSYCHOLOGY offers a concrete and well-rounded introduction to clinical psychology. A highly respected clinician and researcher, Dr. Trull examines the rigorous research training that clinicians receive, along with the empirically supported assessment methods and interventions that clinical psychologists must understand to be successful in the field. This new edition of Trull's bestselling text covers cutting-edge trends, as well as offers enhanced coverage of culture, gender and diversity, and contemporary issues of health care. Written to inspire students thinking of pursuing careers in the field of clinical psychology, this text is a complete introduction.
